Clerk: Ruth Davies

25<sup>th</sup> August 2020

Adam Jackson  
Royal Borough of Windsor and Maidenhead  
Town Hall, St Ives Road  
Maidenhead, Berks SL6 1RF

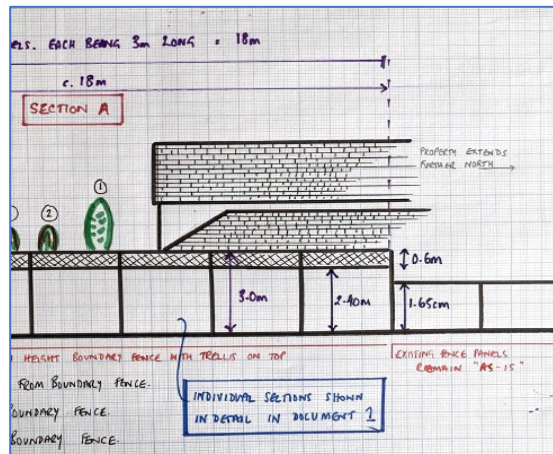

Dear Adam,

**20/01676 - Pennington Church Road Sunningdale Ascot SL5 0NJ**

**New side boundary treatment and alterations to the existing side boundary fence;**

19/02602

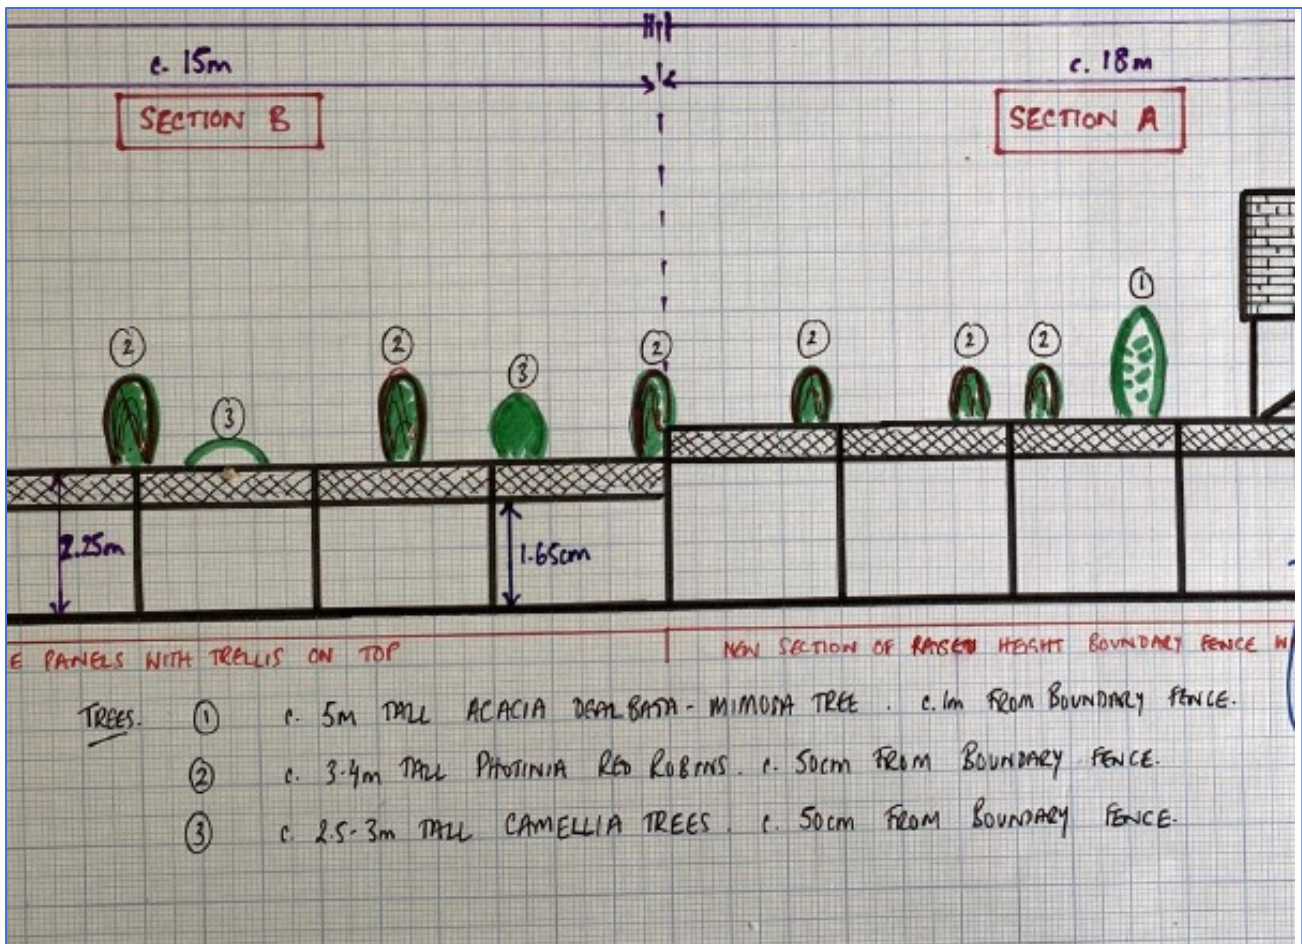

20/01676

1. The Parish Council would request the Tree Team confirm that the proposed foundations for new sections of the fence, especially Section A, do not interfere with the RPA of the Yew tree in the adjoining Firs property.
2. Whilst there is no mention in the Design & Access statement about the impact on existing trees and neither is there an accompanying arboricultural report the plans do show 5 trees within 50cms and 1m of Section A which is a proposed new fence complete with new foundations.

There is a reference to this on the hand drawn plans shown below.

The remaining 4 trees within Section B would presumably not be affected as the intention is to just add a trellis on top of Section B fencing, rather than replace it.

We would request that the Tree Team also review any impact these foundations might have on these trees.

Yours sincerely

Michael Burn and Yvonne Jacklin  
Co-Chairs of Planning
