Dear Paul,

20/02640/TPO Sacred Heart College Land at Verona Fathers Church London Road Sunningdale Ascot (T1) - Oak - Fell. (TPO 46 of 1997/A1).

This is planning application omits much required information.

This TPO oak tree is situated in a public location next to Shrubbs Hill Lane, however there is:

- no information about the height, trunk width etc of the tree
- no photographs supplied and no photographic evidence of the suggested damage
- mention of Paul Cross having photographs but this is of little help
- no arboricultural report and the legibility of the application is also questionable

This is a TPO oak tree in full public view and would be classified as an important specimen. However, with the information provided by the applicant the Parish Council are struggling to make any informed decision. We would also ask how the RBWM Tree Officer could make a decision based on this information?

Therefore, we request a re-submission to include the information requested above. Until that information is supplied the Parish Council request **REFUSAL**.

Regards

Yvonne Jacklin and Michael Burn
