Lest we forget - Remembrance Sunningdale 2020

'In this challenging year, we have perhaps come to realise that the freedoms for which they fought are more precious than we knew, and that the debt we owe them is even greater than we imagined.'
HRH the Prince of Wales

In the year that marked 75 years since VE Day and VJ Day, restricted celebrations took place in remembrance of the contribution of every member of our Armed Forces who stepped up to defend our way of life then, and those who continue to do so today, whatever the threat.

As in previous years, Sunningdale Parish Council laid a wreath at the War Memorial in Sunningdale, although this year in different circumstances to previous years.

The parish council once again placed the poppies on the lamp posts throughout the village. A new edition for 2020 was a flower bed at the recreation ground was cleared and planted as a remembrance bed along with a Silent Soldier.
