Dear Briony

**21/02236/LBC**

**Consent to retain the 2no. marquees to the existing terrace (M1 and M2).**

**Charters Charters Road Sunningdale Ascot SL5 9QZ**

Dear Briony Franklin

The Parish Council would have expected supportive photographic evidence as this is a retrospective application for two substantial marquees, situated in a prominent position on the terraces of two houses.

The purpose of the marquees is not defined, and it is not clear how they would sit comfortably alongside this listed building which is of significant local historical merit.

Only outline drawings of the marquees are included in the application and it is difficult to visualise how the two rectangular shaped canvas over steel frame marquees would *'blend in with the Portland stone wall cladding and terrace'* as claimed in the application. Particularly as they measure 6.7metres x 4 metres and 5.5 metres x 4 metres in size and at 2.9 metres high they are substantial structures.

The Parish Council can therefore only visualise a tent like structure that is neither defined as temporary or permanent and is likely, like many canvas structures, to become tired in appearance over time.

As the outlook from the buildings is over grassland the Parish Council would have thought that approval of these terraces would detract visually from the overall appearance of the listed building.

We recommend that this application is **Refused**.

Yours sincerely

Yvonne Jacklin and Michael Burn  
Co-Chairs of the Planning Committee
