Planter benches for Chobham Road

As many of you know, we took over the maintenance of the planters and verges around the new parking area this year and promised some suitable replacement planters for the ones which were falling apart. Well after a post Brexit delivery delay, we are happy to say that they have arrived and are in place and planted up.

We will be reviewing all the other planters around the village over the next few months and bringing some colour for the winter months.

If anyone has any area of the village which could benefit from some attention, please do get in contact with the council. We can't promise to fix immediately but will add it to the "to do" list.

Call us – 01344 874268.

or email info@sunningdaleparish.org.uk

And remember – we are still here to help.
