Dear Toby

21/03390/TPO: 5 Grant Walk Sunningdale Ascot SL5 9TT
(T2) Lime - limb over conifer hedge - reduce back to fork; limb over road - reduce back to source (TPO 3 of 1984)

The Planning Committee considered this application at its meeting on 7 December 2021 and has a **concern** about the proposed tree reduction.

This application is for the

(T2) Lime - limb over conifer hedge - reduce back to fork; limb over road - reduce back to source (TPO 3 of 1984)

Reason: to reduce limb failure over road and hedge

The application states that the trees proposed for reduction is a TPO tree, but no Arboricultural Report documentation has been uploaded to support this application.

The Planning Committee requests more information and imagery to support the application, to help identify the size of the tree.

The Parish Council request that the RBWM tree officer visit the site to consider these concerns.

The Parish Council asks that until additional information is received, no decision is made on this application.

Yours sincerely

pp Nikki Tomlinson (Deputy Clerk)
