Planning Officer  
RBWM

10 December 2021

Dear Toby

**21/03443/TPO: Rajsheel Onslow Road Sunningdale Ascot SL5 0HW**  
(T1 and T2) - Oak - Remove dead wood only. (T3 - T7) - Birch - Fell. (T8) - Poplar - Fell. (TPO 056 of 2004).

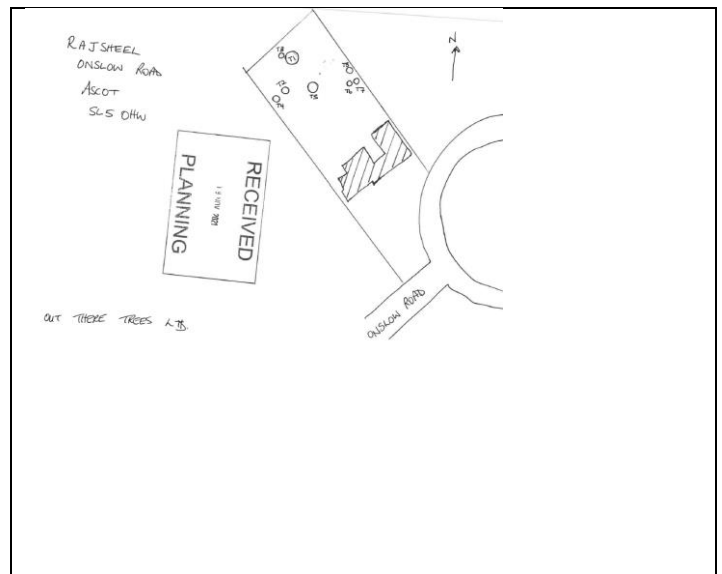

The Planning Committee considered this application at its meeting on 7 December 2021 and has a **concern** about the proposed trees, removal and reductions.

This application is for the

T1 & T2 – Oak – Remove dead wood only

T3-T7 Birch – Fell – Poor Specimens, no plans to replant

T8 – Poplar – Fell – Poor specimen

The application states that a tree proposed for felling is a TPO tree, but no Arboricultural Report documentation has been uploaded to support this application.

The Planning Committee requests more information and imagery to support the application, to help identify the sizes and condition of T1-T2 for reduction. The condition of the T3-T8 trees has been documented to be poor specimens, but no evidence of this has been provided.

The Planning Committee requests more information on reasons for not replanting to replace trees T3-T8.

The Parish Council request that the RBWM tree officer visit the site to consider these concerns. It is proposed that instead of felling the tree any dead or over hanging branches throughout the canopy are removed to safeguard against any branches falling.

Approving this request would be contrary to paragraph 131 of the NPPF 2021, which asks that “existing trees are retained wherever possible”.

The Parish Council asks that until additional information is received, no decision is made on this application.

Yours sincerely

pp Nikki Tomlinson (Deputy Clerk)
