Happy New Year 2022

Sunningdale Parish Council would like to wish all residents a Happy New Year! 2022 will be a busy and exciting year, with various projects and events being planned. Please visit the news page on the website for further updates.

2021: A Reflection

In 2021, life returned to a level of normality and the Parish Council was busy assisting RBWM to maintain village footpaths, maintaining the grounds at Holy Trinity Church and installing new benches around the village.

During the Summer, Broomhall Park was a well used and bustling part of the village, the Snack Shack was opened, serving refreshments to users of the park. Be Military Fit started their Sunningdale fitness sessions in the field and for the first time the big Fir Tree in the Park was shining bright with Christmas lights.

Proposed Multi Use Games Area – Resident Consultation

The Parish Council will be inviting residents to consult on plans and visuals of the proposed new Multi Use Games Area (MUGA) which is planned to be located at Broomhall Park. Currently the tennis courts are extremely popular with an increasing number of members, so therefore the Parish Council would like to add to the sporting facilities on offer at the park. New teen play equipment and a separate outdoor gym area are also due to be built.

The consultation will give residents the opportunity to put any thoughts and ideas forward on the plans. A date for the consultation will be announced in the next few weeks. Please visit the website for further updates.
