Dear Toby

22/01372/TPO Land To The Rear of 140 To 146 Chobham Road Sunningdale Ascot
T1 - Oak - Crown reduction by 4m to give a final height of 15m and spread of 15m. (034/2005/TPO)

Sunningdale Parish Council considered this application at the Planning Committee on 7th June 2022 and has a **concern** about the works being proposed.

Tree location map shown to the right

The applicant clearly states in the planning application that the justification for the crown reduction is because of the condition of the tree i.e. because it has significant die-back in the canopy, is very close to the road and parking area and for future safety.

To justify these works, the application form asks for the applicant to provide “evidence in support of the stated reasons”, which in this case includes written evidence from an appropriate expert.

This information is not provided in this planning application.

Sunningdale Parish Council asks that until additional information is received, no decision is made on this application.

Yours sincerely

Yvonne Jacklin and Michael Burn
Co-Chairs of the Planning Committee
