Dear Toby

**22/01747/TPO Kamsa 4 Redwood Drive Sunningdale Ascot SL5 0LW  
(T1) Ash - fell. (078/1983/TPO)**

Sunningdale Parish Council considered this application at the Planning Committee on 5 July 2022 and has a **concern** about the proposed tree removal.

This application is for the felling of a large Ash Tree (T1) (see location diagram to the right) which has reportedly dropped large branches.

The application states that the tree proposed for felling is a TPO tree, but **no Arboricultural Report** documentation has been uploaded to support this application.

The Planning Committee requests more information and imagery to support the application, to help identify the condition of the tree and following felling.

In the view of Sunningdale Parish Council this report does not provide a viable reason for felling this tree, since the tree has significant amenity value and requests, that instead of felling the tree, any dead branches throughout the canopy are removed to safeguard against any branches falling.

Approving this request would be contrary to paragraph 131 of the NPPF 2021, which asks that “existing trees are retained wherever possible”.

Sunningdale Parish Council request that RBWM obtain professional tree advice to examine these aspects in some detail.

Sunningdale Parish Council asks that until additional information is received, no decision is made on this application.

Yours sincerely

Yvonne Jacklin and Michael Burn  
Co-Chairs of the Planning Committee
