Dear Helen

**22/02139/TPO The Kingswood Ridgemount Road Sunningdale Ascot SL5 9RW
T1 - T3 - x3 Lime trees - Crown reduction by 10m to a final height of 10m (002/1982/TPO)**

Sunningdale Parish Council considered this application at the Planning Committee on 06 September 2022 and has a **concern** about the proposed tree reduction.

This application is for the reduction of 3 Lime trees (see diagram right)

Within the application description it states that the trees proposed for reduction are TPO trees, but no arboricultural report documentation has been uploaded to support this application.

In 1982 it was reported that the Lime Trees at this address are subject to a TPO under TPO number (002/1982/TPO) and detailed 4 Lime Trees being present in T2 condition. However, within this application form the applicant states that the Lime trees are not subject to a TPO.

Sunningdale Parish Council asks that until further information is received, **no decision is made** on this application.

Yours sincerely

Yvonne Jacklin and Michael Burn
Co-Chairs of the Planning Committee
