Over the last few months Sunningdale Parish Council has been working hard to create a new engaging website for the residents of the village to make the information you need easily accessible.

Do you know what services Sunningdale Parish Council deliver?

Visit 'Parish Services' to learn more.

By visiting the 'Council' and 'Meetings' pages you can view the Business Plan 2021-2026 and when committee and council meetings are due to take place.

Have your say! A short survey every month will be created on our website to ask for resident's views on different topics. For September the topic is 'Slower Speeds for Safer Streets', which is a project taking place to encourage motorists to travel at 20mph on selected roads within Sunningdale, Sunninghill and Ascot.
