William Pack Cup – Sunningdale Allotment Winners

The parish council allotments on Church Road have been a hive of activity this summer with the 67 allotment holders working hard to keep their crops growing through the long hot summer and the results have been impressive.

As with previous years, the council awards prizes in the William Pack Cup for the first, second and third best allotment along with Highly Commended and Best Newcomer. Judging this year was carried out over 4 months and the winners were awarded their prizes at the Allotment Holders Tea which took place on Tuesday 10th September.

The 2019 winners at the prize giving tea.

For more information on allotments and the winners of this year's competition, have a look at the council website – www.sunningdale-pc.org.uk/allotments/. Interested in taking an allotment? Please do get in touch, plots do come available regularly.
