Sunningdale Parish Council considered this application at the Planning Committee on 04 July 2023 and has a **concern** about the proposed tree reductions.

This application is for the reduction of several TPO trees (see diagram right).

The application states that the trees proposed for reduction are TPO trees, but no Arboricultural Report has been uploaded to support this application.

The Planning Committee requests more information and imagery to support the application, to help identify the condition of the trees.

Sunningdale Parish Council asks that until additional information is received, **no decision is made** on this application.

Yours sincerely

Cllr Anne-Catherine Buxton
Chair of the Planning Committee
