

## **Additional Information** **for the operation of** **Sunningdale Parish Council's refreshment/catering chalet** **located in Broomhall Lane Recreation Ground, Sunningdale, SL5 0QS**

### **Background information**

Broomhall Lane Recreation Ground is a highly regarded, long standing and frequently visited recreation ground in the centre of Sunningdale.

Families based in Sunningdale and the surrounding area visit the park on their way home from school, during the daytime, on weekends and in large numbers during the school holidays and summer period. The refreshment chalet has become a popular asset in the park for families, providing ice creams, coffees, teas and other light snacks.

The park also provides 3 LTA (Lawn Tennis Association) floodlight tennis courts with tennis coaching, team competitions, members' play and a casual pay and play availability. The courts are in full operation for a minimum of 24 hours per week, with many more hours booked by the members and players. Players enjoy being able to purchase hot and cold drinks, along with snacks, after and during their sessions.

The park also hosts corporate events days and local community events (which the refreshment chalet can benefit from), as well as providing toilet facilities for visitors. Crossing the park is a public footpath that is used frequently by commuters travelling to and from the local train station.

The function of the Chalet is to serve a range of refreshments to the Recreation Ground users and visitors, including hot and cold drinks, hot and cold light snacks and healthy food options, as well as confectionery and ice cream at reasonable prices. The refreshment Chalet plays an important role in the overall operation of the recreation ground and the Parish Council wishes to appoint an enthusiastic operator to cater for the public's needs.

The Chalet is made available so that the appointed operator will provide a quality service to compliment the sport and recreation provision for the enjoyment of the recreation ground users. The council would like the Chalet to play an important role in the various services and facilities available at the recreation ground.

It is the intention of the council for the operator to be perceived by visitors to the Chalet as an integral part of the council team and Broomhall Lane Recreation Ground's service offer. This could, for example, be where the catering operator acts as an information point on a range of subjects relating to the recreation ground. It is expected that this relationship with the team will be developed and enhanced over time.

## Conditions of Contract

The following information relates to the Chalet and a range of conditions laid down for its use on which to base your application.

Minimum 1 year contract

### Rent and other charges

- £2,400 per annum

- Front open double doors that can be used to display menu or advertising boards
- Painted in a RAL colour of Sunningdale Parish Council's choice
- Floor area covered to a non-slip paint compliant standard
- A window provides a serving hatch direct from the kitchen on the front wall
- The Chalet is placed in a busy area with covered seating area and tables adjoining
- Electrical supply and 6 no. Twin sockets
- Wash hand basin and one further basin (food prep) plus hot and cold water
- 1 drinks fridge, 1 fridge/freezer

- Fluorescent lighting
- Stainless steel work-tables

### **Permitted items of sale**

This is an indicative list of items for sale, which will be reviewed regularly with the Deputy Clerk to ensure food preparation, storage and serving regulations, and customer requirements are met.

- Hot drinks - tea, coffee, hot chocolate, etc.
- Milk and non-milk alternatives
- Soft drinks
- Non-alcoholic drinks
- Soup and other snacks that require heating
- Pre-prepared cold/fresh snacks, e.g. sandwiches, etc
- Confectionery
- Ice creams

### **NOTE**

- The preparation, storage and sale of any goods must comply with current Environmental Health Regulations as regulated by RBWM
- The operator of the Chalet is solely responsible for ensuring that all health and safety regulations, trading standards regulations and environmental regulations are adhered to
- All staff serving and preparing items for sale must be qualified in accordance with the serving and preparation of foods, i.e. Chartered Institute of Environmental Health Food Hygiene Certificate for Catering / Food Safety. A pricing policy and proposed menu should be provided by the operator
- The operator has a special responsibility for safeguarding the health of customers and for ensuring that the food and drink they serve, and sell is safe to consume. Any claims for food related injuries will be met by the operator
- Approval to sell goods not listed above must be sought from the Deputy Clerk of Sunningdale Parish Council before adding these to the menu
- Discounts or free refreshments must not be given to council staff or members without prior approval of the Deputy Clerk or Clerk to the Council
- Fire extinguishers 1 x CO2 and 1 x dry powder and a fire blanket will need to be provided by operator.
- Monthly audits will be jointly conducted by the operator and the parish council representative, normally the Deputy Clerk

### **Cleanliness**

- The operator must ensure that the Chalet is kept in a clean and tidy condition to meet industry standards, as well as the requirements of the Environmental Health Department of RBWM and any improvement notices or regulations they might set.

### **Litter**

The operator will be responsible for:

- keeping the refreshment Chalet free of litter with internal bins emptied at the end of each operating day as a minimum. This may need to be increased in the summer to reduce nuisance with wasps.
- **maintaining the area within the black bow topped fencing free of litter** at the end of each operating day
- keeping the table area under the adjoining gazebo clean and clear, with tables wiped down at the beginning and end of each operating period and at regular intervals during the open hours
- ensuring that glass, cans, cardboard and any other recyclable product are disposed of using the recycling bins at the recreation ground. However, depending on volumes, this might necessitate the removal of recyclable materials from the recreation ground for disposal at an approved recycling centre.

### **Storage of Goods**

- Goods are the responsibility of the operator and, if stored on site, may only be stored in the refreshment Chalet

- No goods may be stored in any council building or storage buildings at the recreation ground

### **Health and Safety**

- The operator is required to comply with the Health & Safety at Work Act (1974), the Management of Health & Safety at Work Regulations (1999) and all other relevant legislation pertaining to Health and Safety.
- Firefighting extinguishers are not provided. It is the responsibility of the operator to ensure they are installed and annually serviced and maintained to a satisfactory standard.
- The council takes every precaution to ensure the refreshment Chalet is safe for the operator to use. Any defects with council property must be reported immediately to the Deputy Clerk or, in her absence, to the Clerk.
- If any danger or significant risk exists, the facility is to be shut and isolated immediately.
- The use and storage of propane gas is not permitted.

### **Utilities**

- The operator will be responsible for any National Non-Domestic Rates (i.e. business rates), or any similar charge, levied by any statutory authority in respect of the Chalet operation
- Any electricity consumed from the Council's supply will be charged at the rate prevailing through sub-meters installed

### **Security**

- The Chalet has been fitted with locks to ensure effective security. The operator will be issued with one specific set of keys
- The council must be notified immediately if any of these keys are lost or if there is any attempt to breach the security of the chalet, i.e. attempted break in.
- The council will not be held responsible for any goods or monies owned by the operator, lost through fire, flood or theft.

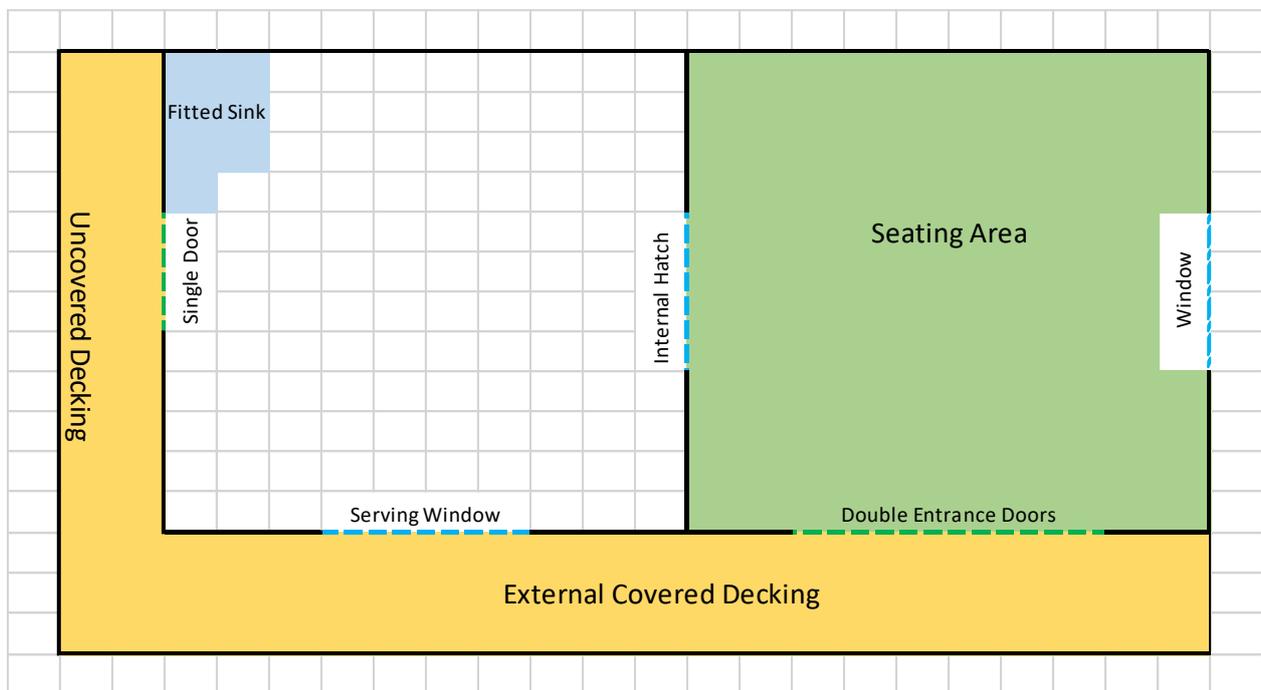

### **Insurances**

- The operator shall insure the contents of the Chalet against fire, theft and damage for the period of the contract.
- For the operator to be appointed and permitted to trade copies of the following minimum value insurances will need to be registered with the Council at the time of contact signing and payment.
  - Employers Liability - £10 million
  - Public Liability - £5 million
  - Products Liability (including Food Poisoning) - £5 million

### **Safeguarding**

- Prior to the commencement of the contract, the operator must sign to confirm compliance with the council safeguarding policies for the recreation ground and tennis courts.
- A DBS check may be required by the council for a member of staff or all the operator's team at the discretion of the Welfare Officer.
- The operator is responsible for ensuring that all their employees are made aware of the safeguarding requirements.
