Dear Toby,

23/01535/TPO Silver Springs Fishers Wood Ascot SL5 0JF

T1 - Oak - reduce five large limbs to re balance crown by up to 50%, G1 - Willow - reduce overhanging limb back to fence line, T4,T5,T6 and G1 (excluding Willow) Crown lifting to 10 metres from the ground level. (076/2004/TPO)

Sunningdale Parish Council considered this application at the Planning Committee on 1 August 2023 and has a **concern** about the proposed tree reductions.

This application is for the reduction of several trees (see diagram right)

The application states that the trees proposed for reduction are TPO trees, but no Arboricultural Report has been uploaded to support this application.

The Planning Committee requests more information and imagery to support the application, to help identify the condition of the trees.

Sunningdale Parish Council request that RBWM obtain professional tree advice to examine these aspects in some detail.

Sunningdale Parish Council asks that until additional information is received, **no decision is made** on this application.

Yours sincerely

Anne-Catherine Buxton
Chair of the Planning Committee
