Dear RBWM Planning Team

23/01808/TPO Ballencrief Ballencrieff Road Sunningdale Ascot SL5 9RA
T1 - Douglas Fir - Crown reduction by 3m to a final height of 18m (052/2006/TPO)

Sunningdale Parish Council considered this application at the Planning Committee on 1 August 2023 and has a **concern** about the proposed tree reduction.

This application is for the reduction in height by 3m of a Douglas Fir tree to leave finished height of 18m. Sketch shown to the right.

The Planning Committee requests more information and imagery to support the application. The only documentation contained within the application is the application form which advises the tree is in close proximity to the house and a drawn sketch of the property.

Sunningdale Parish Council request that RBWM obtain professional tree advice to examine the tree in more detail.

Sunningdale Parish Council asks that until additional information is received, **no decision is made** on this application.

Yours sincerely

Anne-Catherine Buxton
Chair of the Planning Committee
