Tennis Court Refurbishment

The tennis court refurbishment at Broomhall Recreation Ground was completed in November 2023. Complete with a new surface treatment of Tiger Turf Advantage Pro 13mm, new fencing, new gate and LED light system which now enables online payment for the floodlights. Sunningdale Parish Council hope that residents enjoy the refurbished tennis courts. For information on how to book, please visit the parish council website.

Playground Upgrade and Pathways - Winter 2023

The Teen Scene area of the Recreation Ground is now closed until end of January 2024. The old end-of-life equipment has already been removed and brand-new Teen Scene equipment will be installed on a new mud-free surface nearer the under 12s playground (next to Dilly Dragon).

The under 12s playground will also benefit from a few new surprises and a new wet pour playground surface. The under 12s playground will be closed for a few days, week commencing 10th December and then again in January 2024.

A new mud-free footpath across the field towards the woods and train station will be completed also by end of January 2024.

Sunningdale Parish Council apologises for the inconvenience caused and will try to keep disruption to a minimum, working as best as we can with weather conditions. We look forward to the opening of the new playground and footpath.
