Happy New Year 2024 from Sunningdale Parish Council

**Looking Forward ...** 2024 will be a busy and exciting year with new projects and various events planned to benefit the residents of Sunningdale.

## Projects – See website for more information

The 20mph Safer Streets and the Public Right of Way projects are progressing. The Moor End derelict house on Chobham Road is under review by the Parish Council.

## Broomhall Park

The ‘Curly Wurly Café’ is now open daily. They are enthusiastic about serving and welcoming visitors to the park. There is also new inside seating.

The under 12’s playground will benefit from new surfaces in January, therefore will be closed for a couple of weeks.

In early 2024 the new Teen Scene playground and footpath across the Broomhall Park field will open after extensive renovation works over the winter months. No more muddy boots whilst walking to the train station!

Following the successful events last year; Bouncy Castle Days, a Family Fun Day and a Cinema Night are being considered for 2024. Please visit our website for further updates.

Our newly refurbished tennis courts are being well used by both season ticket holders and pay and play visitors. Season tickets are still currently available for remainder of the 2023/2024 season; please visit our website for further details.
