## Update on the Broomhall Recreation Ground Refurbishment

**Teen Scene ....** Work on the Teen Scene play area of the recreation ground has been progressing. Due to the rain and cold weather the re-surfacing and ground works has been slightly delayed, we hope the area will be finished and open for use during March 2024.

**Under 11's Playground ...** The end-of-life rocking car and water/sand play station items of play equipment have now been removed and have been replaced with a few new surprise pieces that are not yet currently open and are screened off. The reveal of these new items will take place when the re-surfacing work of both the Under 11's and Teen Scene play areas has been completed.

**Footpath to the Station ...** The new (mud-free!) footpath to the station, has unfortunately again, due to the wet winter weather, been delayed and will take slightly longer than initially anticipated. The new footpath will be completed as soon as the playground re-surfacing work is complete, hopefully weather permitting, during March 2024.
