

Application Number	Address	Planning Application Details	Parish Council Comment	RBWM Planning Decision	RBWM Extra Details
Planning Oct 2024					
24/01597	2 Dale Lodge Road Sunningdale Ascot SL5 0LY	Single storey front extension, part two storey, part single storey, part first floor side/rear extension, alterations to fenestration, external finish and hardstanding, following demolition of existing elements.	The Parish Council objects to this application as it contravenes: •BLP / QP3 Character and Design of New Development. •NP / DG2 Density, footprint, separation, scale, bulk.	Application refused 10 September 2024	the proposal would not be subordinate or respond positively to the original building and would not add to the overall quality of the area, but would have a hard and stark appearance that would be incongruous to, and detract from, the character and appearance of the road.
24/01590	Street Record Knole Wood Sunningdale Ascot	Scots Pine - fell. (006/1977/TPO).	The Parish Council requests that RBWM refer this application to the Borough's Arboricultural Officer to examine the tree in detail	Application refused 12 September 2024	I have reviewed the report provided with the application. No evidence of heave around the base of the tree was visible at the time of my visit. The tree appears to have developed larger buttress roots on southerly and westerly sides as a consequence of the growth of the stem. This development is normal and overall tree appeared to be in a reasonable condition with no evidence of any recent movement visible at the time of my site visit
24/01303	Castlereagh Devenish Lane Sunningdale Ascot SL5 9QU	T1 - Copper Beech - Crown reduction to a final height of 17.6m and spread of 14.4m (021/2016/TPO).	The Parish Council requests that RBWM refer this application to the Borough's Arboricultural Officer to examine the tree in detail	Partial Refusal/Partial Approval 16 September 2024	In general, beech trees respond poorly to extensive work, with the removal of large amounts from individual branches often resulting in dieback. The proposed crown reduction of this tree would result in a significant reduction in the tree's leaf bearing structure. The approved lesser works should help reduce some of the problems experienced
24/01512	Livet Lodge 16 Charters Way Sunningdale Ascot SL5 9QQ	Oak - Reduce as shown (015/1991/TPO)	The Parish Council requests that RBWM refer this application to the Borough's Arboricultural Officer to examine the tree in detail	Partial Refusal/Partial Approval 13 September 2024	After careful consideration of the tree preservation order application, it is considered that the reasons given in the application do not justify the proposed reduction works to these trees However GRANTS CONSENT for the following works T1 - Oak - Crown lift secondary branches extending over lower garden area at 15 Charters way
24/00755	4 And Flat At 4 Station Parade London Road Sunningdale Ascot SL5 0EP	Partial change of use from commercial with new shopfront, single storey side/rear extension, rear terraces, 1no. dormer to west elevation, raised patio, relocation of gate to rear, new cycle storage and rear staircase access to create 2no. Apartments	The parish council has no comment to make on this application.	Application permitted 23 September 2024
