Whitmore Lane Footpath

The construction of the footpath alongside Whitmore Lane in the Old Village has now been completed. The narrow part of Whitmore Lane is now much safer for pedestrians. It is an integral part of the network vision linking the village to Coworth Park and Windsor Great Park.

Events at Broomhall Recreation Ground

Thank you to all who supported the events over the Summer. The free bouncy castle days continued to be very popular with children. The Summer Festival saw its first-ever dog show, and the Outdoor Cinema continued for the second year, showing Wonka. Save the date for the Sunningdale Christmas Event on Friday, 29 November. More details to follow via our website, Facebook page and Village Life.

Sunningdale Parish Council Survey

The Parish Council undertook a major Resident & Stakeholder Survey between 10 May and 17 June 2024. 458 people responded and the results have been analysed. You can see a copy of the report on the Sunningdale Parish Council website. The Council have considered the report and has agreed to some follow-on work for potential projects.
