## FC 17/24 New financial regulations

A discussion was had, and the committee discussed the draft set of regulations that were adapted from the NALC's new model financial regulations.

A few amendments are to be made as follows:

- 5.8/5.9/5.10 change the wording so that the word "will" is substituted for "shall."
- 5.9 To be amended so that it references £500 £5,000
- The Locum Clerk confirmed that she had checked that the new regulations and the old regulations were mapped accordingly so nothing was missed out, and anything else no longer relevant was removed.

#### Resolved

That once these amendments had been made the regulations were recommended to Full Council for approval

### FC 18/24 Grant Applications

No interests were declared in any of the grants listed below.

The committee discussed the applications and ways of working to support the process.

Actions from the discission:

- Create a document to support decison-making on CIL applications showing what projects have previously been approved for CIL funding. (Clerk)
- The CiL application form is to be amended to ask all the relevant information required for applications. Cllr Coxon will share the document she has been working on with the Cil working group. An introduction is to be added with a link to guidelines on the gov.co.uk website to support any applicants.

 Advise Full Council that there is no budget provision in the current year for Community Grants and recommend that £5,000 is drawn from the Playgrounds EMR (recently augmented by funding some 2023/24 playground work from CIL) and used to create funding in the current year for Community Grants.

The committee commented on the applications for the benefit of Full Council as shown below:

Application for £2,000 Community Grant from Ascot District Day Centre
Comment: if funding is made available by virement from reserves then there would be funding available for this grant;

Application for £30,000 CIL funding from Sunningdale Bowls Club
Comment: that more information about this application should be sought and that the Council should not decide upon it at this time;

 $\bullet$  Application for £2,952.50 CIL funding for MAD Academy Outreach

**Comment**; this request may not meet the criteria to be funded from CIL and if Community Grant funding is made available by virement from reserves then there would be funding available to make this grant as a Community Grant); and

 Application for £1,036 CIL funding from the Sunningdale Village Hall Board of Trustees

**Comment**: this request may not meet the criteria to be funded from CIL but the council holds an EMR for work to the Village Hall and this grant could be funded from that EMR.

## FC 19/24 Review of fees and charges

Cllr Coxon declared a personal interest in the allotments as an allotment holder.

The committee went through in detail the current charges and fees.

Actions:

- Allotments Cllr Newman to investigate the requirement for a new fence with the facilities officer. It was recommended that the cost of an allotment be increased to £7.50 per pole.
- Cemeteries would look to increase for out of area residents possibly to three times the resident charge.
- Flat Stay as they are. Look to re-establish inspections on a regular basis. (Clerk)
- Community room fees to stay as they are.
- Tennis The working group would look at Tennis fees
- Car parking to be added to the budget sheet as not currently included.
